

We are so excited to host a fun pre-season event for the Nordic families!!!

When: Sunday, August 23rd

Time: 4:00PM until early evening so everyone can get a good night's sleep before the first day of school 😊

Where: The James Ranch Cottonwood pond (come to the MAIN entrance of the James Ranch (just north of Honeyville - not John and Julie's house), continue down the ranch road, over the irrigation ditch and make your first right (before the cattle guard) you will be driving along the corrals, then keep driving until you see the pond.

What to bring: everyone bring a main dish to feed a family AND a salad or dessert. Let's have everyone bring their own reusable place setting so we don't have piles of trash to send to the landfills. We also need more chairs if you have some camp chairs, and if you have any fun floating devices feel free to bring them.

We will have picnic tables, serving tables, a pile of watermelons, and a cooler full of lemonade. If you would like **any other beverages**, we will also have an ice chest full of ice for your cooling needs.

Please RSVP!! 385-7498 – Home or John's cell: 749-7795

Feel free to call us with any questions!

John, Julie and the three gents
